Kel. Lambangjaya, Kec. Tambun Selatan, Kab. Bekasi, Jawa Barat, 17510

Information Systems graduate (Cum Laude, GPA 3.68/4.00) currently working as a Data Reporting Analyst at Telkomsel, with experience in data analytics, process automation, and customer experience. Proficient in SQL, Python, Power BI, Tableau, and Excel, with hands-on experience automating reporting, building dashboards, and analyzing tNPS and customer interaction data.

WORK EXPERIENCE

Telkomsel **Jakarta**
Data Reporting Analyst, Contract October 2026 - Present

- Built Rekapin (TypeScript, React), a tool turning Hadoop CSVs into Excel PivotTable reports: 5–6 hours to under 10 minutes.
- Produced weekly and monthly customer care decks (ticket funnel, FCR, Top 5 KIP, scorecard, 12-region review) using Rekapin and Excel.
- Analyzed KIP (Complaint, Information, Request) data to find transactions that can shift to digital self-service.
- Monitored 8 service channels (GraPARI, eCare, Call Center, Veronika, others) with SQL and Excel to flag drops early.

Telkomsel **Jakarta**
Data & Automation Analyst, Contract June 2026 - October 2026

- Automated 3 tNPS and traffic reports previously done manually in Excel using Python: 6 hours to 5–10 minutes (97% faster).
- Standardized data from 4 GraPARI Express vendors into one 23-column format via a dashboard, removing manual reformatting.
- Designed a Figma prototype of a trouble ticket dashboard for 466 GraPARI outlets and 4 vendors, proposed to the IT team.
- Wrote SQL in Huawei Cloud DataArts Studio for on-demand KIP Shifting and GraPARI Online payment data.

Telkomsel **Jakarta**
Marketing Data Analyst Intern November 2025 - May 2026

- Automated benchmarking of 8 ISPs across 503 cities with Python scraping: 14 days to 1 day (98% less manual work).
- Built a 3-tier city clustering framework (K-Means, GMM) to target the IndiHome product revamp.
- Delivered 5 visualizations in Tableau, Power BI, and Excel, including daily sales and revenue dashboards.
- Maintained 6 Product Knowledge and 6 Product Catalog Matrix monthly for 100,000+ sales agents.

BCA Digital **Jakarta**
Growth Marketing Intern January 2024 - February 2024

- Organized the bluClass seminar for 200+ participants, driving 150+ new app sign-ups.
- Led the bluAmbassadors program with 15 student ambassadors to build campus brand presence.
- Analyzed competitor events and identified university and corporate collaboration opportunities.
- Cleaned and reported event data to inform marketing and partnership strategy.

Telkom Indonesia **Jakarta**
Market Research & Business Analyst Intern August 2023 - December 2023

- Researched 3 agricultural commodities and identified 65 market opportunities for the Agree platform.
- Approached 25+ potential clients via phone, chat, and email to expand the Agree customer base.
- Validated customer data in Cockpit and SuperAgree and visualized trends with pie and line charts.
- Produced 9 Minutes of Meeting and 3 slide decks to align cross-departmental follow-ups.

EDUCATION

Telkom University **Bandung**
Bachelor, Information System | GPA: 3.68/4.00 August 2021 - January 2025

- Honors of Cum Laude
- Best Paper Award Object Detection of Hospital Assets Using Computer Vision with Generative Adversarial Networks Method
- Presenter International Conference ICADEIS 2025 Bandung, Indonesia
